## ACTIVITIES

### ACTIVE TOURISM

Regarding nature, visitors in Santoña will enjoy the following spots:

- Marshland natural park of Santoña, victoria and joyel, with more than 4,000 hectares of high ecological value; it is one of the most biologically diversified enclaves in Spain with more than 20,000 birds from 120 different species, small mammals and singular flora.
- Buciero mount or Santoña mount: it is a peninsula connected with the continent by a “tombolo” (a depositon landform) where Berria beach is located. round-shaped and steep-sloped, it is about 600 hectares long. you can find there the longest holm-oak tree extension in the Cantabrico and the most important one regarding the preservation of this type of flora in the iberic peninsula.
- All visitors can enjoy two beaches. one of them is berria, a long beach, clean, sometimes with rough sea, but safe thanks to the lifeguards. here, you can enjoy water sports such as windsurfing, taking all level courses if you wish.
