ACTIVITIES

Active tourism

Malaga is a city full of green areas to go for a walk and enjoy the sun. The biggest one is the historical Botanic Garden of la concepcion, located in the surroundings and with an area of 23 hectares where the subtropical flora is abundant. While walking, you will feel as if you were in the jungle.

You can also find numerous parks and gardens in the city centre. Wandering around the area of parque de Malaga is really nice and, besides, it will let you visit some important monuments such as the Alcazaba, the Cathedral or the Roman Theatre. In the same area, it is a must a visit to the gardens of Puerta Oscura and Pedro Luis Alonso, of great beauty and perfect to relax under the shade of the trees.
